Ship Recycling Global Market Report – March 21

GMS' weekly round up of the ship recycling markets in India, Pakistan, Bangladesh and Turkey. 10 minutes or less of the key talking points covering demo prices, trends and notable vessel disposals.

This week Jon Chaplin talks to GMS Senior Trader Vagelis Chatziannidis about the challenges of scrap price volatility, market corrections, a return to confidence in Alang, and the reasons for prices edging towards an eye-watering USD 500/LDT in Turkey.
